

PROFESSIONAL SUMMARY

Architect (B.Arch, GGSIPU) with 3 years of experience across **transport infrastructure** and residential design, including the **\$500M Broadway Junction transit station redevelopment** with AtkinsRéalis. Skilled in preparing **BIM/CAD drawings, layouts, schedules and presentations**, consolidating multi-disciplinary inputs, and maintaining design documentation in line with technical and regulatory standards. Eager to apply transit-hub design experience to **airport terminal planning and design**.

EXPERIENCE

My Design Minds, Delhi, India | Architect

Sept 2024 to Present

Member of Core Architecture team

- **Captured client requirements and developed design options** for multiple residential interior projects in Gurugram, presenting layouts for approval and delivering through execution with 100% client satisfaction.
- **Prepared and updated detailed drawings, layouts and schedules** in Revit (BIM) and AutoCAD, incorporating review comments to ensure consistency, accuracy and coordination across the design team.
- **Independently acquired two projects**, leading client presentations and coordinating with contractors and vendors, contributing to the firm's portfolio growth.

AtkinsRéalis, Gurugram, India | Graduate Architect

Feb 2024 to Aug 2024

Member of Transport Architecture team (USA)

- **Key contributor** to the core team for the **New York Broadway Junction J/Z, L and A Station** redevelopment, a major multi-line transit interchange valued at **\$500 million** and funded by the **U.S. Department of Transportation**.
- **Drafted and coordinated design documentation** with the **AtkinsRéalis USA team**, integrating inputs to ensure compliance with technical and regulatory standards for public transport infrastructure. **ICAO and ACI** online course on aerodrome design and airport planning.

Ahuja & Associates, Gurugram, India | Junior Architect

Aug 2023 to Jan 2024

Member of Design team

- **Prepared concept layouts, working drawings and presentations** for residential projects in **Gurgaon** and **Sohna** under Principal Architect **Manoj Ahuja**, balancing functionality, aesthetics and local building regulations.

SKILLS

- **Design, BIM & 3D:** Autodesk Revit, AutoCAD, Rhino, 3ds Max | architectural drawings, plans, area schedules, technical documentation
- **Presentation & Productivity:** MS Excel, MS PowerPoint, AI-assisted tools | design presentations, trackers, comparisons
- **Core Strengths:** multi-disciplinary coordination, regulatory documentation, stakeholder presentations

EDUCATION

GGSIPU, Delhi, India | Bachelor of Architecture

Aug 2018 - July 2023

Oxford Public School, Delhi, India | Class 12th

Apr 2017 - March 2018

ACHIEVEMENTS

- **Jagriti Yatra Fellow 2019** | Selected as one of 500 fellows from 30,000+ applicants for a 15-day entrepreneurial journey across India; went on to launch the venture **Organic Vikalp**, promoting clean eating.
- **Design Competition** | Secured **2nd place** in the **GGSIPU Design Competition 2022**, a group housing design challenge, ranking among the top in a field of 120 participants across the university.

LEADERSHIP & ACTIVITIES

- **Shaper, Global Shapers Gurugram Hub** (a **World Economic Forum** initiative) | Driving community projects on **Climate Action (SDG 13)**, **Good Health (SDG 3)** and **Gender Equality (SDG 5)** within a global network of 500+ hubs.
- Member of **Toastmasters International** for 6 years, serving as **President** and **Vice President** of the Gurgaon club; honed **public speaking** and leadership skills, **winning multiple speech contests**.
- Host of **heritage walks and treks** across Delhi NCR, recognised by **Airbnb Gurgaon** for experiences engaging 14+ nationalities; **Indian bamboo flautist** with 5 years of performance experience.
